

MORNING APPEAL

TUESDAY.....FEBRUARY 25, 1879

IMMENSE ANTI-RAILROAD MASS MEETING IN VIRGINIA!

THE COMSTOCK ABLAZE WITH INDIGNATION!!

THE PEOPLE DEMAND THE PASSAGE OF THE WOODBURN BILL!!!

About 8 o'clock last evening we received the following dispatch:

VIRGINIA CITY, Feb. 24—7:50 P. M.
To MORNING APPEAL: A big anti-railroad meeting is being held here.

Col. Bob Taylor is addressing about two thousand people.

All present are very bitter in their expressions regarding the action of the Committee of Fourteen.

LATER.
About half an hour later we received the following:

VIRGINIA, Feb. 24—8:04 P. M.
CARSON APPEAL: Big anti-railroad mass meeting in front of Odd Fellows' building here to-night.

The excitement and enthusiasm are tremendous.

The crowd demands the passage of the Woodburn bill.

STILL LATER.
At 9:30 P. M. the following was received:

VIRGINIA, Feb. 24—9:10 P. M.
CARSON APPEAL: It is proposed to send a procession of one thousand men to Carson to-morrow.

Contributions of wagons and teams are pouring in.

The people are thoroughly roused.

A proposition to hang members who "fall down" was received with cheers.

BENEFIT OF MISS LIZZIE INGLES.

Don't forget that next Thursday evening, Feb. 27th, Miss Lizzie Ingles will be the recipient of a benefit tendered her by her many warm friends and leading citizens of Carson, who admire her ability as an actress and deportment as a lady of culture and unexceptionable character. She will be ably assisted by the local talent of our own and sister city of Virginia. The bill offered for the evening will consist of comedy, farce, songs, sayings, recitations, etc. We wish the young lady every success.

FIRE!

About half past seven o'clock last night the dwelling owned and occupied by Michael Branley, north of the railroad shops, was destroyed by fire. Branley is a wiper in the round-house. We are sorry to learn that his insurance policy lapsed about three months since. This misfortune falls with peculiar severity upon Branley and his family, which consists of his wife and six little children. The house and most if not all the contents were consumed. The Warrens got on the first water and did excellent service.

THE HYERS' SISTERS TO-NIGHT.

The troupe whose title is indicated above, and who have been already made the object of conspicuous mention through the columns of the MORNING APPEAL, will appear at the Carson Opera House to-night. We note by reference to the box sheet that the house is to be a full one.

RIGHT ON THE RECORD.

Senator Kaiser does not mean to have his position misunderstood. Yesterday he rose in his place and requested to have his name added to the minority report of the Committee of Fourteen. All honor to such faithful adherence to pledge and principle!

EPISCOPAL FAIR.

The Ladies' Fair and Festival was a great success. This is indicated in the returns which foot up about \$1,500 clear profits. This will lift the load of debt off the church and relieve the ladies of a burdensome responsibility.

FRENCH RESTAURANT.—Attention is called to the advertisement in another column of Mr. E. Escalot's French Restaurant, North Carson street, opposite the passenger depot. Everything in first-class style, and all of the latest and rarest meats, fish and game procurable.

ASH WEDNESDAY SERVICE.—Full morning service and sermon at St. Peter's Church on Wednesday morning at 11 o'clock. Also Friday evening service and lecture at the Sunday school room. Geo. R. Davis, Rector.

GOING TO THE BAY.—Hon. D. R. Sessions, Superintendent of Public Instruction, left Carson last night for San Francisco. Official business takes him away. He will return in a very few days.

REPORTS OF COMMITTEES.

By Schultz, from Committee on Claims—With resolution authorizing the payment of claim of C. C. Batterman; also favorably on claims of parties for expense of burial of Hon. R. L. Wash; also, favorably on claim of B. F. Wallace, with reduction of amount to \$59 40.

By Meder, from Committee on Enrollment—That several bills have been found correctly enrolled and deposited with the Governor.

By Martin, from Committee on Engraving—Have found several bills so ordered correctly engrossed.

By Boardman, from Judiciary Committee—Favorably on bill to create Board of County Commissioners; also, on bill to amend the lien law; also, unfavorably on bill to amend the Act concerning crimes and punishments; also, unfavorably on Act to regulate proceedings in civil cases; same on Act to regulate vagrancy; same on Act to amend the lien law; same on bill to prevent breaches of the peace.

By Gallagher, from Committee on Military and Indian Affairs—Unfavorably on bill to provide for the organization of the State militia.

By Stewart, from Special Committee of Storey County Delegation—Favorably with amendments, an Act to create a Board of County Commissioners.

By Meder, from Committee of Ormsby County, favorably with amendments, on Assembly bill to incorporate Carson City.

By Boardman, from Committee of Fourteen—A majority report unfavorably on the Woodburn bill to regulate freights and fares; also a minority report signed by Mr. Boardman and Mr. Williams as follows: Having had the same under consideration, and having heard petitions, written and oral statements and arguments, we are compelled to reach different conclusions from those expressed in the majority report of the Committee.

The Committee having already reported to the Assembly favorably on the proposed bill to regulate fares and freights on inter-State railroads, but little need be said in this report. Believing, however, that if the same become a law it would relieve the people in a great degree from unjust charges and discriminations, we recommend that the maximum of freight charges should be reduced from six cents to four cents per ton per mile, and that the passenger rates should also be reduced lower than named in the bill.

The so-called Woodburn bill had received more especial attention as being of much greater interest and importance to the State. They recommended that the section—6—excepting ores from the provisions of the bill, be stricken out in compliance with the known wishes of friends of the bill, and that it pass as amended. The fact that Mr. Yerington's sworn statement claiming the cost of the V. & T. R. R. as \$4,000,000, while for purposes of taxation it was represented as only worth about \$1,000,000, was duly considered and conclusions drawn therefrom.

Mr. King desired to offer a report from the same committee, unfavorably on the three principal bills which have been considered by that committee.

Mr. Stewart rose to a point of order, which was presented in writing as follows: That the Joint Committee of Fourteen, by the letter and spirit of the resolution creating such committee were instructed to propose a bill to regulate freights and fares. Instead of so doing the said committee had frittered away nearly three weeks, in considering bills drafted by outsiders, and utterly failed to comply with their duties and instructions by not recommending some sort of bill upon the subject of freights and fares.

Mr. Comins thought the point of order not well taken, as they had reported a bill although not favorably.

Mr. Stewart insisted upon his point that they had failed entirely in their instructions. The Chair ruled that the point of order was not well taken.

Mr. Comins sent up a petition from Hamilton asking that no action be taken concerning the Eureka and Palisade railroad.

NOTICES AND RESOLUTIONS.

By King—Concurrent resolution that the Constitution of the State be changed so as to change the time of meeting of the Legislature from January to February. Adopted.

ANOTHER WONDERFUL CURE

EFFECTED BY

CALIFORNIA ELASTIC TRUSS!

CALIFORNIA ELASTIC TRUSS COMPANY.—W. J. HORNE, Proprietor.—Dear Sir: I feel that I owe it to you and to humanity to write the fact that I have been SUBSTANTIALLY CURED of a bad case of Rupture of thirty years' standing, by one of your incomparable Trusses, which I purchased from you three months ago. I cannot describe the suffering, both physically and mentally, that I have undergone during that period; and now I feel like a new being. I have worn all kinds of Trusses, both Steel and Elastic, and never received any permanent relief until I tried yours. Its simplicity of construction, and facility with which it can be adjusted, and the ease and perfect freedom to the motions of the body with which it can be worn without causing any irritation, are its chief merits, and it is a perfect supporter. I have not had any sign of a return of the rupture since the first day I put it on, and feel that I am perfectly CURED. It is invaluable, and the fact should be known to the world. You can refer any one to me on the subject of their malady. I am, truly yours, ALFRED J. BURKE, Chief Mail Clerk S. F. Daily Evening Post, San Francisco, July 20, 1878.

A Physician's 45 Years' Experience.

W. J. Horne, Esq.—Dear Sir: For some time past I have been using in my practice the California Elastic Truss, with entire satisfaction in most cases of complicated hernia of both sexes. During a practice of forty-five years I have found no truss that would, with the same ease and certainty, retain the required adjustment, the pressure being always under the immediate control of the patient. The simplicity and ease of application is of itself a guarantee to every experienced physician. I have the honor to remit by mail the amount due, knowing that I contribute to the alleviation of afflicted humanity. Yours, truly, J. F. TIBBITS, M. D.
